Dear Mr. Council:

We have reviewed the Commonwealth collections and remittances of the Treasurer and Commissioner of the Revenue of the City of Franklin for the period March 1 through June 30, 2005. Our primary objectives were to determine that the officials have maintained accountability over Commonwealth collections, established internal controls, and complied with state laws and regulations.

The results of our tests found the constitutional officers complied, in all material respects, with state laws, regulations and other procedures relating to the receipt, disbursement and custody of state funds.

Sincerely,

Auditor of Public Accounts
