Linda M. Parrish
Clerk of the Circuit Court
County of Madison

Board of Supervisors
County of Madison

We have audited the accompanying Statement of Assets and Liabilities of Linda M. Parrish, Clerk of the Circuit Court of the County of Madison for the period October 1, 2001 through May 21, 2002. All records supporting the amounts presented in this financial statement are the responsibility of the Clerk. Our responsibility is to express an opinion on the financial statement based on our audit.

Our primary objectives were to test the accuracy of financial transactions recorded on the Court's financial management system; evaluate the Court's internal controls; and test its compliance with significant state laws, regulations, and policies. However, our audit was more limited than would be necessary to provide assurance on the internal controls or on overall compliance with applicable laws, regulations, and policies.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The purpose of the audit for the period October 1, 2001 through May 21, 2002 was to determine the accountability of the Clerk at May 21, 2002, and to turn over the assets, accounts, and records of the office to Linda M. Parrish, the newly appointed acting Clerk of the Circuit Court.

As described in Note 1, this financial statement has been prepared on the cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles. This basis of accounting is prescribed by the State Comptroller and approved by the Auditor of Public Accounts as it is deemed the appropriate method of reporting by Clerks of the Circuit Court.

In our opinion, the financial statement referred to above presents fairly, in all material respects, the assets and liabilities of the Clerk of the Circuit court of the County of Madison as of May 21, 2002, on the basis of accounting described in Note 1.

We acknowledge the cooperation extended to us during this engagement.
