Bruce Adam
Chief Magistrate
County of Arlington

Review Period: July 1, 2024, through June 30, 2025
Court System: City of Falls Church and County of Arlington
Judicial District: Seventeenth
Magisterial Region: Fifth

We have reviewed the cash receipts and disbursements of the office of the Chief Magistrate for the Seventeenth judicial district for the period noted above. Our primary objectives were to evaluate the Chief Magistrate's internal controls and test the Chief Magistrate's compliance with significant state laws, regulations, and policies related to the receipt and disbursement of cash bonds and other payments.

The Chief Magistrate is responsible for establishing and maintaining internal controls and complying with applicable laws and regulations. Internal control is a process designed to provide reasonable, but not absolute, assurance regarding the reliability of financial information, effectiveness and efficiency of financial operations, and compliance with applicable laws and regulations. Deficiencies in internal controls could lead to noncompliance with laws and regulations, the loss of assets, or otherwise compromise the Chief Magistrate's fiscal accountability. It is our responsibility to perform procedures to the extent necessary to satisfy the objectives of this engagement.

Our procedures did not identify any matters involving internal control and its operation necessary to bring to the Chief Magistrate's attention.
