We are performing a statewide audit of the Magistrates. During our review, we conducted certain audit procedures, as we deemed appropriate.

Management is an important part of the Magistrates' accountability since you are responsible for establishing and maintaining internal controls and complying with applicable laws and regulations. During our review, we noted no matters requiring written communication with management.

The Magistrate has taken corrective action to remediate the internal control finding that we reported in the previous audit.

We acknowledge the cooperation extended to us by the Chief Magistrate and her staff during this engagement.
