The Honorable Paul Ferguson
Clerk of the Circuit Court
County of Arlington

Takis Karantonis, Board Chair
County of Arlington

Audit Period: April 1, 2024, through March 31, 2025
Court System: County of Arlington

We have audited the cash receipts and disbursements of the Clerk of the Circuit Court for this locality for the period noted above. Our primary objectives were to test the accuracy of financial transactions recorded on the Court's financial management system; evaluate the Court's internal controls; and test its compliance with significant state laws, regulations, and policies.

Management's Responsibility

Court management has responsibility for establishing and maintaining internal controls and complying with applicable laws and regulations. Internal control is a process designed to provide reasonable, but not absolute, assurance regarding the reliability of financial reporting, effectiveness and efficiency of operations, and compliance with applicable laws and regulations. Deficiencies in internal controls could lead to noncompliance with laws and regulations, the loss of assets or revenues, or otherwise compromise the Clerk's fiscal accountability.

We noted no matters involving internal control and its operation necessary to bring to management's attention.

The Clerk has taken corrective action to remediate the finding titled *Appropriately Use Non-Reverting Funds* that we reported in the previous audit. The resolution of the finding titled *Remit State Collections and Reimburse Court Funds* that we reported in the previous audit is ongoing.
