Chief Judge
City of Richmond General District Court – Criminal Division

Richmond, VA 23219

As part of our audit of the Virginia District Court System, we have audited the cash receipts and disbursements of the City of Richmond General District Court – Criminal Division for the period of January 1, 2000 through March 31, 2001.

Our primary objectives were to test the accuracy of financial transactions recorded on the Court's financial management system; evaluate the Court's internal controls; and test its compliance with significant state laws, regulations, and policies. However, our audit was more limited than would be necessary to provide assurance on the internal controls or on overall compliance with applicable laws, regulations, and policies.

The results of our tests found the Court properly stated, in all material respects, the amounts recorded and reported in the financial management system; no material weaknesses in the internal controls; and no instances of noncompliance with applicable laws, regulations, and policies.

We acknowledge the cooperation extended to us by the court during this engagement.
