Dear Mr. James:

We have reviewed the Rappahannock River Basin Commission's (RRBC) financial information and the George Washington Regional Commission's (GWRC) audit report relating to fiscal year 2017. We have determined that the audit performed by Dunham, Aukamp & Rhodes, PLC for fiscal year 2017 satisfies our statutory requirement to audit the Rappahannock River Basin Commission under Section 62.1-69.33 of the Code of Virginia.

If anyone inquires about your audit status, please have them contact us.

Sincerely,

Martha S. Mavredes
Auditor of Public Accounts
