Dear Ms. Reamy,

Due to turnover in staff and the continued effects of the implementation of the new software system in the prior year, the audit preparation was delayed. The transmittal and final audit report were not submitted by December 15, 2025.

We are currently working with our external auditors to develop a work plan to complete the remaining items needed for the FY25 audit.

We anticipate the audit report being finalized no later than June of 2026. The comparative cost report, sheriff internal control report and the transmittal form will be submitted as soon as possible.

We appreciate your continued understanding.

Sincerely,
