We are performing a statewide audit of the Combined District Courts. During our review of this court, we conducted certain audit procedures, as we deemed appropriate.

Management of this court is an important part of the court's accountability since you are responsible for establishing and maintaining internal controls and complying with applicable laws and regulations. During our review, we noted no matters requiring written communication with court management.

The Clerk has taken corrective action to remediate the internal control finding that we reported in the previous audit.

We acknowledge the cooperation extended to us by the Clerk and her staff during this engagement.
