The Honorable W. Randolph Carter, Jr.  
Clerk of the Circuit Court  
City of Suffolk

Michael Duman, Mayor  
City of Suffolk

Audit Period: January 1, 2021, through June 30, 2022  
Court System: City of Suffolk

We have audited the cash receipts and disbursements of the Clerk of the Circuit Court for this locality for the period noted above. Our primary objectives were to test the accuracy of financial transactions recorded on the Court's financial management system; evaluate the Court's internal controls; and test its compliance with significant state laws, regulations, and policies.

## Management's Responsibility

Court management has responsibility for establishing and maintaining internal controls and complying with applicable laws and regulations. Internal control is a process designed to provide reasonable, but not absolute, assurance regarding the reliability of financial reporting, effectiveness and efficiency of operations, and compliance with applicable laws and regulations. Deficiencies in internal controls could lead to noncompliance with laws and regulations, the loss of assets or revenues, or otherwise compromise the Clerk's fiscal accountability.

We noted no matters involving internal control and its operation necessary to bring to management's attention.
