

THE AUDITOR OF PUBLIC ACCOUNTS LOCALITY STORMWATER UTILITY REPORTING FORM

The purpose of this form is to implement the following locality stormwater utility reporting requirement established by Paragraph D.1. of Item 2 of the Fiscal Year 2017-2018 State Budget ([Chapter 836](#) of the 2017 Acts of Assembly): *Each locality establishing a utility or enacting a system of service charges to support a local stormwater management program pursuant to §[15.2-2114](#), Code of Virginia, shall provide to the Auditor of Public Accounts by October 1 of each year, in a format specified by the Auditor, a report as to each program funded by these fees and the expected nutrient and sediment reductions for each of these programs. For any specific stormwater outfall generating more than \$200,000 in annual fees, such report shall include identification of specific actions to remediate nutrient and sediment reduction from the specific outfall.*

Each locality subject to the reporting requirement set forth above shall complete and submit this report form each year to the Auditor of Public Accounts by October 1, in an electronic format emailed to LocalGovernment@apa.virginia.gov. **The first report for Fiscal Year 2017 is due by October 1, 2017.**

SECTION 3 – FUNDED PROGRAMS AND OTHER MAJOR ACTIVITIES

Provide a brief description of each major program funded by the utility fee system and, where applicable, the expected nutrient and sediment reductions for each of these programs.

A. Operations & Maintenance Program

Fauquier County's Stormwater Management Utility Fee funded the County's Environmental Program used for regulating and maintaining Fauquier County's Stormwater Management Program. The funds were used to fund staff salaries, benefits and associated expenses for six positions, including a Program Manager, Engineer, Stormwater Mgt Coordinator, and three Inspectors. Associated expenses include training, water quality testing, telecommunications and technology, vehicle maintenance, and operation and similar operating expenses. All of these positions are vital components to the operation and maintenance of the County's SWM Management Program.

B. Capital Improvement Program

This program is not funded by the County's Stormwater Utility Fee.
