## INDEPENDENT AUDITOR'S REPORT

The General Assembly and Legislative  
Agencies and Commissions of the  
Commonwealth of Virginia

### Report on the Audit of the Financial Statements

#### *Opinion*

We have audited the accompanying modified cash basis financial statements of the General Assembly and Legislative Agencies and Commissions of the Commonwealth of Virginia as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise the General Assembly and Legislative Agencies and Commissions of the Commonwealth of Virginia's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the cash balances of the General Assembly and Legislative Agencies and Commissions of the Commonwealth of Virginia as of June 30, 2022, and its revenues and expenditures for the year then ended in accordance with the modified cash basis of accounting, as described in Note 1.

#### *Basis for Opinion*

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the General Assembly and Legislative Agencies and Commissions of the Commonwealth of Virginia and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### *Basis of Accounting*

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance the modified cash basis of accounting described in Note 1; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the General Assembly and Legislative Agencies and Commissions of the Commonwealth of Virginia's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the General Assembly and Legislative Agencies and Commissions of the Commonwealth of Virginia's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the General Assembly and Legislative Agencies and Commissions of the Commonwealth of Virginia's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated November 14, 2022 on our consideration of the General Assembly and Legislative Agencies and Commissions of the Commonwealth of Virginia's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the General Assembly and Legislative Agencies and Commissions of the Commonwealth of Virginia's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the General Assembly and Legislative Agencies and Commissions of the Commonwealth of Virginia's internal control over financial reporting and compliance.

**GENERAL ASSEMBLY AND LEGISLATIVE AGENCIES AND  
COMMISSIONS OF THE COMMONWEALTH OF VIRGINIA**

**NOTES TO FINANCIAL STATEMENTS  
June 30, 2022**

**Note 1      Summary of Significant Accounting Policies**

Reporting entity

The General Assembly of the Commonwealth of Virginia is the legislative body of the Commonwealth. The Legislative Agencies and Commissions (the “Agencies”) included herein assist the General Assembly in carrying out its responsibilities (see Note 2).

Fund accounting

The accounts of the Agencies are organized on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its revenues and expenditures. The following funds are used by the Agencies:

**General Fund** – is the operating fund of each agency. It is used to account for all appropriations from the General Fund of the Commonwealth and other receipts that are not specifically allocated by law or other contractual agreement to another fund. Proceeds from the sale of fixed assets are retained in each agency’s general fund and revert to the General Fund of the Commonwealth only upon resolution of the General Assembly. General operating expenditures, fixed charges, and capital improvements are paid through this fund.

**Special Revenue Funds** – are used by certain agencies to account for the proceeds of specific revenue sources that are restricted by legal or regulatory provisions or by administrative action. The Federal Trust Fund is a type of Special Revenue Fund used by certain agencies to account for federal revenue.

**Trust and Agency Funds** – are used by the Joint Legislative Audit and Review Commission (JLARC) to account for funds JLARC receives from the Virginia Retirement System (VRS) and Virginia College Savings Plan (VA529). The VRS Oversight Act (*Code of Virginia*, Title 30, Chapter 10) and the VA529 Oversight Act (*Code of Virginia*, Title 30, Chapter 51) require that JLARC oversee and evaluate the VRS and VA529 on a continuing basis. These funds are used by JLARC to fulfill these duties.

Basis of accounting

The financial statements are presented on the modified cash basis of accounting, reflecting only revenues received and expenditures paid, plus recorded vouchers payable at year end. Therefore, receivables and payables, inventories, equipment, and depreciation, which may be material in amount, are not reflected in the current year activity, and these statements do not present the overall financial position or results of operations of the Agencies. The modified cash basis of accounting demonstrates compliance with the budget laws of the Commonwealth of Virginia. The amounts reported as payments in progress represent expenditures which occurred prior to year end, but for which the cash disbursement shall occur subsequent to June 30. The amounts are reported to reflect the amount of the budget that is available at year end.

**GENERAL ASSEMBLY AND LEGISLATIVE AGENCIES AND  
COMMISSIONS OF THE COMMONWEALTH OF VIRGINIA**

**NOTES TO FINANCIAL STATEMENTS  
June 30, 2022**

**Note 1      Summary of Significant Accounting Policies (Continued)**

Basis of accounting (Continued)

Appropriations from the Commonwealth and grant revenue are recorded when made available by the State Comptroller to finance operations during the fiscal year. Appropriations are authorizations to spend funds from the General Fund of the Commonwealth, and they have been reported as revenue available to the Agencies in these financial statements.

Budgets and budgetary accounting

The budget for the Agencies is established by the Appropriations Act (the “Act”) as enacted by the General Assembly of Virginia for the biennium ended June 30, 2022. No payments can be made except as provided for in such Act or in any other Act of the General Assembly making an appropriation. The Act places legal restrictions on expenditures at the Agency level.

The budget is prepared principally on the cash basis. Budgeted amounts reported in the financial statements are as originally appropriated to the Agencies and subsequently adjusted by transfers from other appropriations authorized by the General Assembly.

Cash

Cash consists primarily of each Agency’s share of cash on deposit with the State Treasurer. In addition, because the Treasury Pool is sufficiently liquid to permit withdrawal of cash at any time without prior notice or penalty, equity in the pool is also deemed to be a cash equivalent. The amounts in the Treasury Pool are collateralized in accordance with the Virginia Security for Public Deposits Act Section 2.2-4400 *et seq.* of the *Code of Virginia*.

## **COMPLIANCE SECTION**

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL  
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF  
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH  
GOVERNMENT AUDITING STANDARDS**

The General Assembly and Legislative  
Agencies and Commissions of the  
Commonwealth of Virginia

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the accompanying modified cash basis financial statements of the General Assembly and Legislative Agencies and Commissions of the Commonwealth of Virginia (the "Agencies") for the year ended June 30, 2022, and have issued our report thereon dated November 14, 2022.

**Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Agencies' internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Agencies' internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Agencies' internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

## **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Agencies' financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

## **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
