Good Afternoon,

I am writing to notify you all that our audit will be late ,FY 2025, this year. There has been substantial staff turnover and I just took this position 6 weeks ago. We anticipate the completion date to be no later than March 31, 2026. I am hoping for sooner but cannot foresee it being any later than this date.

Thank you for your understanding as staff positions remain vacant and we are working diligently to get this completed.
