City of Chesapeake

Review Period: July 1, 2024, through June 30, 2025
Court System: City of Chesapeake

We have reviewed the financial operations for the office of the Clerk of the Circuit Court for the City of Chesapeake, for the period noted above, pursuant to §30-134 of the Code of Virginia. Our primary objectives were to test the accuracy of financial transactions recorded on the Court's financial accounting system; evaluate the Clerk's internal controls; and test the Clerk's compliance with significant state laws, regulations, and policies related to financial operations.

The Clerk is responsible for establishing and maintaining internal controls and complying with applicable laws and regulations. Internal control is a process designed to provide reasonable, but not absolute, assurance regarding the reliability of financial information, effectiveness and efficiency of financial operations, and compliance with applicable laws and regulations. Deficiencies in internal controls could lead to noncompliance with laws and regulations, the loss of assets or revenues, or otherwise compromise the Clerk's fiscal accountability. It is our responsibility to perform procedures to the extent necessary to satisfy the objectives of this engagement.

Our procedures did not identify any matters involving internal control and its operation necessary to bring to the Clerk's attention.
