# Report of Independent Auditor on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

To the Board of Supervisors County of Fairfax, Virginia

We have audited, in accordance with the auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, and the *Specifications for Audits of Counties, Cities, and Towns* (the "Specifications") issued by the Auditor of Public Accounts of the Commonwealth of Virginia, the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the County of Fairfax, Virginia (the "County"), as of and for the year ended June 30, 2024, and the related notes to the financial statements, which collectively comprise the County's basic financial statements, and have issued our report thereon dated November 19, 2024.

## Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the County's internal control over financial reporting ("internal control") as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, we do not express an opinion on the effectiveness of the County's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

#### **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the County's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

## **Purpose of This Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing* Standards in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

## Report of Independent Auditor on Compliance for Each Major Program and on Internal Control over Compliance Required by the Uniform Guidance

To the Board of Supervisors Fairfax County, Virginia

## Report on Compliance for Each Major Federal Program

## Opinion on Each Major Federal Program

We have audited the County of Fairfax, Virginia's (the "County") compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of the County's major federal programs for the year ended June 30, 2024. The County's major federal programs are identified in the summary of auditor's results section of the accompanying Schedule of Findings and Questioned Costs.

In our opinion, the County complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2024.

## Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Our responsibilities under those standards and the Uniform Guidance are further described in the *Auditor's Responsibilities for the Audit of Compliance* section of our report.

We are required to be independent of the County and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the County's compliance with the compliance requirements referred to above.

### Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the County's federal programs.

#### Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the County's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the County's compliance with the requirements of each major federal program as a whole.

cbh.com

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and
  perform audit procedures responsive to those risks. Such procedures include examining, on a test basis,
  evidence regarding the County's compliance with the compliance requirements referred to above and
  performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the County's internal control over compliance relevant to the audit in order to
  design audit procedures that are appropriate in the circumstances and to test and report on internal control
  over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an
  opinion on the effectiveness of the County's internal control over compliance. Accordingly, no such opinion
  is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

## **Report on Internal Control over Compliance**

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the *Auditor's Responsibilities for the Audit of Compliance* section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

## Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

We have audited the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the County as of and for the year ended June 30, 2024, and the related notes to the financial statements, which collectively comprise the County's basic financial statements. We issued our report thereon dated November 19, 2024, which contained unmodified opinions on those financial statements. Our audit was performed for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the basic financial statements as a whole.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

## **COUNTY OF FAIRFAX, VIRGINIA**

#### NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

YEAR ENDED JUNE 30, 2024

#### Note 1—Basis of presentation

The accompanying Schedule of Expenditures of Federal Awards ("Schedule") includes all federal grant activity of the County of Fairfax, Virginia ("County") and its component units. The County's reporting entity is defined in Note A, Part 1 of the County's basic financial statements.

The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Therefore, some amounts presented in this Schedule may differ from amounts presented in, or used in the preparation of, the basic financial statements.

## Note 2—Summary of significant accounting policies

Except for the beginning loan balances, expenditures reported on the accompanying Schedule are reported on the modified accrual basis of accounting as defined in Note A, Part 3 of the County's basic financial statements. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited for reimbursement.

The County has not elected to use the 10% de minimis indirect cost rate allowed under the Uniform Guidance.

## Note 3—Non-cash and other programs

The Commonwealth of Virginia Department of Agriculture and Consumer Services, Food Distribution Program, administers the United States Department of Agriculture ("USDA") donated food program within the Commonwealth of Virginia. USDA provides values for all donated food. For Assistance Listing 10.555, National School Lunch Program, the County received donated food for the fiscal year ended June 30, 2024. The value of the donated food is included on the accompanying Schedule.

The purpose of the Enhanced Mobility of Seniors and Individuals with Disabilities Program, Assistance Listing 20.513, is to provide financial assistance in meeting the transportation needs of seniors and individuals with disabilities where public transportation services are unavailable, insufficient, or inappropriate. Several Washington, DC metropolitan jurisdictions receive funding under this program. For the fiscal year ended June 30, 2024, the County received three donated vehicles from Metropolitan Washington Council of Government. The value of the donated vehicles is included on the accompanying Schedule.

#### NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

YEAR ENDED JUNE 30, 2024

#### Note 4—Loans

The U.S. Department of Housing and Urban Development has insured certain mortgage loan borrowings made by the County through the Fairfax County Redevelopment and Housing Authority ("Authority") in connection with certain low-income housing projects. The loan program under Assistance Listing 14.248, Community Development Block Grant Section 108 Loan Guarantees had outstanding principal balance of \$2,407,000 on June 30, 2024. This loan does not have any continuing compliance requirements; therefore, it is not reported on the accompanying Schedule.

The Authority provides loans to qualified low-income borrowers through Assistance Listing 14.239, Home Investment Partnerships Program ("HOME"), to promote home ownership and provide assistance with down payments and closing costs. The outstanding principal balance of the HOME loans was \$16,790,602 on June 30, 2024. Loans made in prior years to partnership entities that are believed to be uncollectable are tracked by the Authority's loan tracking software and the County's financial system. Since there is no expectation of collecting these loans, a 100% allowance is reflected, and the value of \$7,545,190 is not included in the ending principal balance.

The Authority also provides loans to qualified low-income homeowners or homeowners living in areas targeted for improvement, resulting in the elimination of health or safety code violations, through Assistance Listing 14.218, Community Development Block Grants/Entitlement Grants ("CDBG"). The outstanding principal balance of the CDBG loans was \$27,278,637 on June 30, 2024. Loans made in prior years to partnership entities that are believed to be uncollectable are tracked by the Authority's loan tracking software and the County's financial system. Since there is no expectation of collecting these loans, a 100% allowance is reflected, and the value of \$2,553,420 is not included in the ending principal balance.

In addition, the Authority held Federal Housing Administration – insured mortgage revenue bonds secured by land, buildings, and equipment of \$1,265,000 on June 30, 2024. This is reported under Assistance Listing 14.000.

On December 17, 2014, the Economic Development Authority and the County entered a Transportation Infrastructure Finance and Innovation Act ("TIFIA") loan agreement under Assistance Listing 20.223 with the United States Department of Transportation. The TIFIA loan is for the aggregate principal amount of up to \$403.3 million. This loan is to fund the County's obligated project costs for the construction of Phase Two of the Metrorail Silver Line extension. The outstanding balance of the TIFIA loan was \$398,909,166 on June 30, 2024, which includes principal and capitalized interest. The maximum principal available on the loan was reached in a prior year; therefore, no additional draws will be made against the loan. Under the terms of the loan agreement, the County made a payment on October 1, 2023, of \$40,450,431 to USDOT to pay debt service on the TIFIA loan of \$12,750,431 and an additional \$27,700,000 prepaying principal for the TIFIA loan. This loan does not have any continuing compliance requirements; therefore, it is not reported on the accompanying Schedule.

## **Note 5—Transportation grants**

The County's transportation grants are typically multi-year projects with flexible funding sources that result in funding allocation changes throughout the life of the project. Accordingly, due to the inherent nature of these transportation grants, the County prepares the accompanying Schedule using the best information available at the time of reporting. In cases where it is difficult to identify the mix of federal and state money under the federal transportation program, the expenditure is reported on the accompanying Schedule.

## COUNTY OF FAIRFAX, VIRGINIA NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

YEAR ENDED JUNE 30, 2024

## Note 6—Disaster grants – public assistance (presidentially declared disasters)

After a presidentially declared disaster, FEMA provides assistance under the federal program, Disaster Grants – Public Assistance (Presidentially Declared Disasters) (Assistance Listing 97.036), to reimburse eligible costs associated with debris removal, emergency protective measures and the repair, restoration, reconstruction or replacement of public facilities, or infrastructure damaged or destroyed as a result of the federally declared disaster or emergency. The federal government typically makes reimbursements in the form of cost-share grants, but cost-share requirements were waived for expenditures incurred as a result of the COVID-19 pandemic. For the fiscal year ended June 30, 2024, FEMA approved \$22,056,404 in eligible expenditures that were incurred in both the current and prior fiscal years as follows: FY 2020 \$414,694, FY 2021 \$8,786,253, FY 2022 \$11,935,703 and FY 2023 \$919,754. These expenditures are reported on the accompanying Schedule.

## Note 7—COVID-19 pandemic expenditures

Several Acts of Congress provided relief funding to respond to the COVID-19 pandemic. The Coronavirus Aid, Relief, and Economic Security Act was signed on March 27, 2020, to provide relief from the impact of the COVID-19 pandemic. In addition, the American Rescue Plan Act was signed on March 11, 2021, to provide additional assistance. Included in the Acts are provisions and funding specific to state and local governments to protect their communities during this challenging period. During the fiscal year ended June 30, 2024, the County received and expended COVID-19 funding for authorized purposes. For SEFA reporting, the prefix "COVID-19" is used in the name of each federal program that has COVID-19 related expenditures.
