## Comments to Management

---

We noted the following matters involving internal control and its operations that has led or could lead to the loss of revenues, assets, or otherwise compromise the Clerk's fiscal accountability.

### Coding of Civil Cases

For two of the civil cases tested, the Clerk utilized the DECL code (Declaratory Judgement) and the COM code (Complaint) for cases related to declaring a building unsafe and in need of demolition. However, the correct code to be used in these two instances is the CDL code (Condemnation - Locality).
