The Honorable Erica W. Williams  
Clerk of the Circuit Court  
County of Montgomery

William (Bill) H. Brown, Board Chairman  
County of Montgomery

Audit Period: April 1, 2012 through March, 2014  
Court System: County of Montgomery

We have audited the cash receipts and disbursements of the Clerk of the Circuit Court for this Court System for the period noted above. Our primary objectives were to test the accuracy of financial transactions recorded on the Court's financial management system; evaluate the Court's internal controls; and test its compliance with significant state laws, regulations, and policies.

## Management's Responsibility

Court management has responsibility for establishing and maintaining internal controls and complying with applicable laws and regulations. Internal control is a process designed to provide reasonable, but not absolute, assurance regarding the reliability of financial reporting, effectiveness and efficiency of operations, and compliance with applicable laws and regulations. Deficiencies in internal controls could possibly lead to the loss of revenues or assets, or otherwise compromise fiscal accountability.

We noted no matters involving internal control and its operation necessary to bring to management's attention.
