The Honorable Peter Eliades
Chief Judge
City of Emporia General District Court

The Honorable Jacqueline Waymack
Chief Judge
City of Emporia Juvenile and Domestic Relations District Court

Review Period: July 1, 2024, through June 30, 2025
Court System: City of Emporia
Judicial District: Sixth

We have reviewed the financial operations for the Combined District Court Clerk's office for the City of Emporia for the period noted above. Our primary objectives were to test the accuracy of financial transactions recorded on the Court's financial accounting system; evaluate and test the Clerk's internal controls; and test the Clerk's compliance with significant state laws, regulations, and policies related to financial operations.

Annually, we use a risk-based approach to perform either a comprehensive or limited control review for each of the Commonwealth's district courts. A comprehensive review involves procedures designed to review, in detail, areas such as receipts, disbursements, system access security, accounts receivable, and liability management. A limited control review involves the evaluation of the Clerk's responses to an internal control questionnaire; general ledger, system access, and reconciliation review; evaluation of significant variances in collections from the prior year; and some limited procedures related to the assessment of fines and collection of receivables. We perform limited control reviews on courts that we consider to be low risk based on the results of previous reviews and an overall assessment of the individual court environment, with no more than two consecutive limited control reviews in a three-year period. For this locality, we performed a comprehensive review for the year ended June 30, 2025.

Management is responsible for establishing and maintaining internal controls and complying with applicable laws and regulations. Internal control is a process designed to provide reasonable, but not

absolute, assurance regarding the reliability of financial information, effectiveness and efficiency of financial operations, and compliance with applicable laws and regulations. Deficiencies in internal controls could lead to noncompliance with laws and regulations, the loss of assets or revenues, or otherwise compromise the Clerk's fiscal accountability. It is our responsibility to perform procedures to the extent necessary to satisfy the objectives of this engagement.

We noted the following matter involving internal control and its operation that has led or could lead to noncompliance with laws and regulations, the loss of assets or revenues, or otherwise compromise the Clerk's fiscal accountability.

Properly Assess and Bill Court Fines and Costs

Repeat: No

The Clerk and her staff did not properly assess and collect court fines and costs. In nine of 47 (19%) cases tested, we noted the following errors.

- The Clerk did not charge defendants in seven cases a total of \$1,313 in court costs.
- The Clerk did not send attorney invoices totaling \$360 for three local cases to the locality for payment.
- For two cases, the Clerk miscoded in the financial system a total of \$490 in fines and costs as local instead of Commonwealth.

The amounts above are based on actual errors noted within our sample of court transactions, the impact of which we did not project to all transactions of the court. The Clerk and the Clerk's staff should correct the specific cases noted above, seek additional training in the assessment and billing of court fines and costs, and establish a system of review to minimize the likelihood of billing errors going undetected. In all cases, the Clerk should assess and bill court fines and costs in accordance with the Code of Virginia.
