We are performing a statewide audit of the Combined General District Courts. During our review of this court, we conducted certain audit procedures, as we deemed appropriate.

Management of this court is an important part of the court's accountability, since you are responsible for establishing and maintaining internal controls and complying with applicable laws and regulations. During our review, we noted certain matters that required management's attention and corrective action. These matters included:

Properly Bill and Collect Court Costs (New)

The Clerk and her staff did not properly bill and collect court costs. In nine of 21 cases tested, defendants were overcharged \$841 in attorney fees and \$86 in court costs. The Clerk and her staff should correct the specific cases noted above and should establish a system of review to minimize the likelihood of billing errors going undetected. In all cases, the Clerk should bill and collect court costs in accordance with Code of Virginia.
