RE: Final Audited Financial Report for the County of Pulaski for fiscal year ending June 30, 2025

Dear Ms. Henshaw,

This letter is to notify you that the County of Pulaski's auditors will not be submitting the Comparative Report Transmittal Form on or before December 15, 2025.

The County's auditors, Robinson, Farmer, Cox Associates, require additional time to complete the audits for Pulaski County, the Pulaski County Public Service Authority (PSA), the Pulaski County Development Authority (EDA), and the Pulaski County School Board. The County and its related component units continue to work with the consulting firm Brown Edwards to finalize necessary audit adjustments.

Due to the timing and scope of the remaining audit work, the County anticipates that the audited financial report will be issued in March 2026.

Please contact my office if additional information is required.

Sincerely,

Jonathan Sweet
County Administrator
