INDEPENDENT AUDITORS' REPORT

To the Honorable Members of the Board of Commissioners Chincoteague Recreation and Convention Center Authority Chincoteague, Virginia

Report on the Financial Statements

We have audited the accompanying financial statements of the business-type activities of Chincoteague Recreation and Convention Center Authority, as of and for the year ended June 30, 2016, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the *Specifications for Audits of Authorities, Boards, and Commissions*, issued by the Auditor of Public Accounts of the Commonwealth of Virginia. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the business-type activities of Chincoteague Recreation and Convention Center Authority, as of June 30, 2016, and the changes in financial position, and cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Change in Accounting Principle

As described in Note 1 to the financial statements, in 2016, the Authority adopted new accounting guidance, GASB Statement No. 79 Certain External Investment Pools and Pool Participants. Our opinion is not modified with respect to this matter.

Others Matters

Required Supplementary Information

Management has omitted management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 15, 2016, on our consideration of Chincoteague Recreation and Convention Center Authority's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Chincoteague Recreation and Convention Center Authority's internal control over financial reporting and compliance.

Kolinson, Farmer, Cox Associates Charlottesville, Virginia December 15, 2016

The accompanying notes to financial statements are an integral part of this statement.

Notes to Financial Statements June 30, 2016

NOTE 1 - NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES:

A. Organization and Purpose:

Chincoteague Recreation and Convention Center Authority (the Authority) was created pursuant to the provisions of the "Public Recreation Facilities Authorities Act" (Chapter 29 of Title 15.1 of the <u>Code of Virginia</u> of 1950, as amended) by the Town of Chincoteague to manage and operate the Chincoteague Recreation and Convention Center. The Center was built to provide a recreational facility for the residents of Chincoteague as well as provide meeting rooms for conventions.

B. <u>Financial Reporting Entity:</u>

Chincoteague Recreation and Convention Center Authority is reported as a discretely presented component unit of the Town of Chincoteague. The Authority is governed by a board consisting of five members appointed by the Chincoteague Town Council.

C. Financial Statement Presentation:

<u>Management's Discussion and Analysis</u>—GASB Statement No. 34 requires the financial statements be accompanied by a narrative introduction and analytical overview of the government's financial activities in the form of "Management's Discussion and Analysis" (MD&A). Management has elected to omit the Management's Discussion and Analysis in the fiscal year ending June 30, 2016.

D. Basic Financial Statements:

Since the Authority is only engaged in business-type activities, it is required to present only the financial statements required for enterprise funds. For the Authority, the basic financial statements consist of:

Enterprise fund financial statements

- -Statement of Net Position
- -Statement of Revenues, Expenses and Changes in Net Position
- -Statement of Cash Flows
- -Notes to Financial Statements

E. Basis of Accounting:

The Authority operates as an enterprise activity and its accounts are maintained on the accrual basis of accounting. Under this method, revenues are recognized when earned, and expenses are recorded as liabilities when incurred, without regard to receipt or payment of cash. The Authority accrues revenue for services rendered but not yet billed at the end of the fiscal year.

The Authority distinguishes operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with the Authority's principal ongoing operations. The principal operating revenues of the Authority are charges to customers for sales and services. Operating expenses include the cost of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

Notes to Financial Statements June 30, 2016 (Continued)

NOTE 1 - SUMMARY OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES: (continued)

F. <u>Capital Assets:</u>

Capital assets are recorded at historical cost or estimated historical cost if purchased or constructed. In cases where historical cost is not known estimates and other information available to support historical cost were used. Donated capital assets are recorded at their acquisition value at the date of donation. The Authority has a capitalization policy of \$1,000. The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend the asset's life are not capitalized.

Depreciation is computed using the straight—line method over the following estimated lives:

Equipment 5 to 10 years Land improvements 20 years Building 40 years

Depreciation expense for the year ended June 30, 2016 totaled \$33,627.

G. Cash and Cash Equivalents:

For purposes of the statement of cash flows Chincoteague Recreation and Convention Center Authority considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents.

Cash and cash equivalents include amounts in demand deposits as well as short-term investments with a maturity date within three months of the date acquired by the government.

State statutes authorize the government to invest in obligations of the U. S. Treasury, commercial paper, corporate bonds, repurchase agreements, and the Local Government Investment Pool.

Investments for the government are reported at amortized cost. The Local Government Investment Pool operates in accordance with appropriate state laws and regulations.

H. Prepaid Items:

Certain payments to vendors represent costs applicable to future accounting periods and are recorded as prepaid items in both the government-wide and fund financial statements. The cost of prepaid items is recorded as expenditures/expenses when consumed rather than when purchased.

I. Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

J. Net Position:

Net position is the difference between a) assets and deferred outflows of resources and b) liabilities and deferred inflows of resources. Net investment in capital assets represents capital assets, less accumulated depreciation, less any outstanding debt related to the acquisition, construction or improvement of those assets. Deferred outflows of resources and deferred inflows of resources that are attributable to the acquisition, construction, or improvement of those assets or related debt are also included in this component of net position.

Notes to Financial Statements June 30, 2016 (Continued)

NOTE 1 - SUMMARY OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES: (continued)

K. Deferred Outflows/Inflows of Resources:

In addition to assets, the statement of financial position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, *deferred outflows of resources*, represents a consumption of net position that applies to a future period(s) and so will *not* be recognized as an outflow of resources (expense) until then. The Authority does not have any deferred outflows of resources as of June 30, 2016.

In addition to liabilities, the statement of financial position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, *deferred inflows of resources*, represents an acquisition of net position that applies to a future period(s) and so will *not* be recognized as an inflow of resources (revenue) until that time. The Authority does not have any deferred inflows of resources as of June 30, 2016.

L. Net Position Flow Assumption:

Sometimes the government will fund outlays for a particular purpose from both restricted (e.g., restricted bond or grant proceeds) and unrestricted resources. In order to calculate the amounts to report as restricted - net position and unrestricted - net position in the financial statements, a flow assumption must be made about the order in which the resources are considered to be applied.

M. Adoption of Accounting Principle:

Governmental Accounting Standards Board Statement No. 79, Certain External Investment Pools and Pool Participants

The Authority implemented the provisions of the above Statement during the fiscal year ended June 30, 2016. This Statement addresses accounting and financial reporting for certain external investment pools and pool participants. Specifically, it establishes criteria for an external investment pool to qualify for making the election to measure all of its investments at amortized cost for financial reporting purposes. An external investment pool qualifies for that reporting if it meets all of the applicable criteria established in this Statement. There was no material impact on the Authority's financial statement as a result of the implementation of Statement No. 79. All required disclosures are located in Note 2.

NOTE 2 - DEPOSITS AND INVESTMENTS:

Deposits:

Deposits with banks are covered by the Federal Deposit Insurance Corporation (FDIC) and collateralized in accordance with the Virginia Security for Public Deposits Act (the "Act") Section 2.2-4400 et. seq. of the Code of Virginia. Under the Act, banks and savings institutions holding public deposits in excess of the amount insured by the FDIC must pledge collateral to the Commonwealth of Virginia Treasury Board. Financial Institutions may choose between two collateralization methodologies and depending upon that choice, will pledge collateral that ranges in the amounts from 50% to 130% of excess deposits. Accordingly, all deposits are considered fully collateralized.

Notes to Financial Statements June 30, 2016 (Continued)

NOTE 2 - DEPOSITS AND INVESTMENTS: (continued)

Investments:

Statutes authorize the Authority to invest in obligations of the United States or agencies thereof, obligations of the Commonwealth of Virginia or political subdivisions thereof, obligations of the International Bank for Reconstruction and Development (World Bank), the Asian Development Bank, the African Development Bank, "prime quality" commercial paper and certain corporate notes, banker's acceptances, repurchase agreements and the State Treasurer's Local Government Investment Pool (LGIP).

Credit Risk of Debt Securities:

State statutes require that commercial paper have a short-term debt rating of no less than "A-1" (or its equivalent) from at least two of the following; Moody's Investors Service, Standard & Poor's and Fitch Investor's Service. Corporate notes, negotiable Certificates of Deposit and bank deposit notes maturing in less than one year must have a short-term debt rating of at least "A-1" by Standard & Poor's and "P-1" by Moody's Investor Service. Notes having a maturity of greater than one year must be rated "AA" by Standard & Poor's and "Aa" by Moody's Investor Service. The Authority's rated debt investments as of June 30, 2016 were rated by Standard & Poor's and/or an equivalent national rating organization and the ratings are presented below using the Standard & Poor's rating scale.

Authority's Rated Debt Investments' Values				
Rated Debt Investments		r Quality Ratings		
	AAAm			
Local Government Investment Pool	\$	41,308		

External Investment Pools:

The value of the positions in the external investment pools (Local Government Investment Pool) is the same as the value of the pool shares. As LGIP is not SEC registered, regulatory oversight of the pool rests with the Virginia State Treasury. LGIP is an amortized cost basis portfolio under the provisions of GASB Statement No. 79. There are no withdrawal limitations or restrictions imposed on participants.

Interest Rate Risk:

Interest rate risk is defined as the risk that changes in interest rates will adversely affect the fair value of an investment.

The Authority doesn't have a policy related to interest rate risk.

Investment Maturity (in yea	rs)		•	
Investment Type		Value	L	ess Than 1 Year
Local Government Investment Pool	\$	41,308	\$	41,308

Notes to Financial Statements June 30, 2016 (Continued)

NOTE 3 - CAPITAL ASSETS:

Details of changes in capital assets for the year ended June 30, 2016 are as follows:

	Jı	Balance uly 1, 2015	Α	dditions	Dele	tions	Jur	Balance ne 30, 2016
Land improvements	\$	46,162	\$	-	\$	-	\$	46,162
Buildings		1,180,756		-		-		1,180,756
Equipment		78,347		3,489				81,836
Total	\$	1,305,265	\$	3,489	\$	-	\$	1,308,754
Accumulated depreciation:								
Land improvements	\$	38,375	\$	2,252	\$	-	\$	40,627
Buildings		558,837		30,512		-		589,349
Equipment		74,118		863		-		74,981
Total accumulated depreciation	\$	671,330	\$	33,627	\$	-	\$	704,957
Total capital assets, net	\$	633,935	\$	(30,138)	\$	-	\$	603,797

NOTE 4 - UNEARNED REVENUE:

Unearned revenue represents amounts for which asset recognition criteria has been met, but for which revenue recognition criteria has not been met. Under the accrual basis of accounting, such amounts are measurable, but not available. Unearned revenue totaling \$1,975 consists of the following:

Rental Fees - Full	\$ 1,975
Total	\$ 1,975

NOTE 5 - LONG-TERM OBLIGATIONS:

Changes in Long-Term Obligations:

The following is a summary of long-term obligation transactions of the Authority for the year ended June 30:

Note payable, July 1, 2015	\$ 9,394
Principal payments	 (9,394)
Note payable, June 30, 2016	\$ _

Notes to Financial Statements June 30, 2016 (Continued)

NOTE 6 - RELATED PARTY:

The Chincoteague Recreation and Convention Center sits on land that is owned by the Town of Chincoteague. The Authority entered into a 40-year land lease with the Town rent-free. The lease is renewable.

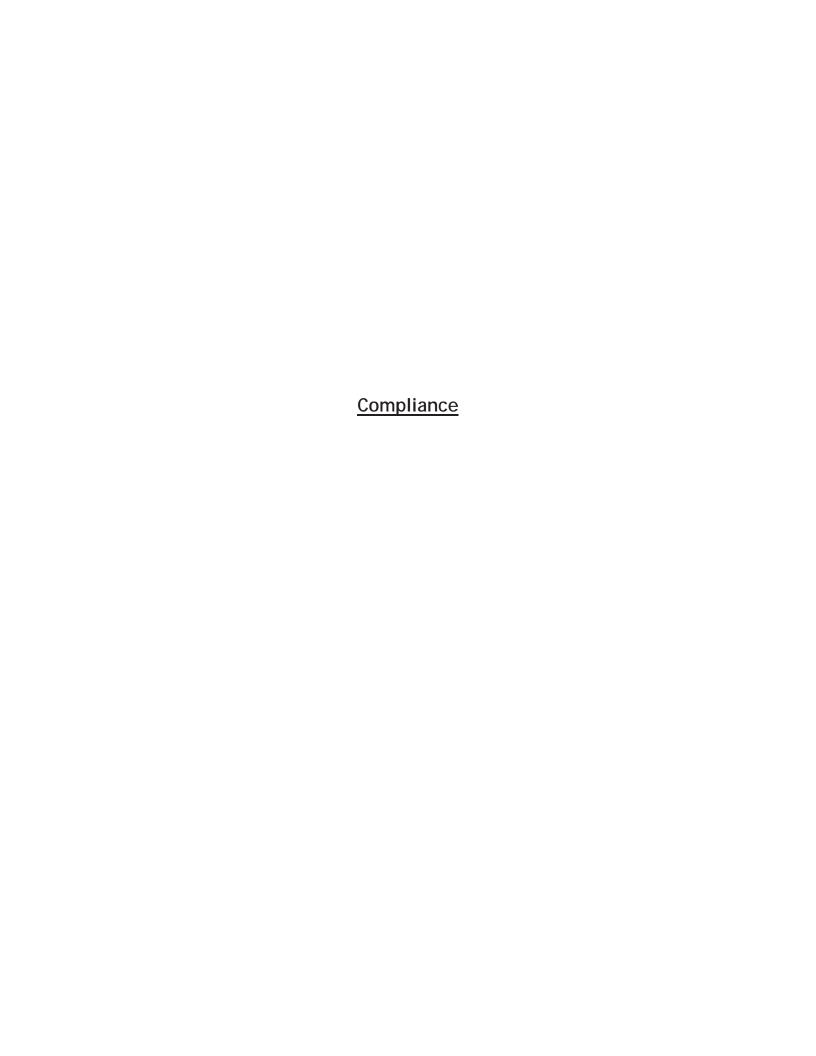

The Town of Chincoteague provides a portion of the meals and occupancy tax it collects to the Center. For the year ended June 30, 2016, the meals tax receipts were \$44,833 and the occupancy tax was \$110,000.

NOTE 7 - LITIGATION:

There were no matters of litigation involving the Authority which would materially affect the Authority's financial position should any court decisions pending matters not be favorable to the Authority.

NOTE 8 - RISK MANAGEMENT:

The Authority contracts with commercial insurance carriers for property and liability coverages. There have been no reductions in insurance coverages or settlements in excess of insurance coverages in the past three fiscal years.

Independent Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements

Performed in Accordance with Government Auditing Standards

To the Honorable Members of the Board of Commissioners Chincoteague Recreation and Convention Center Authority Chincoteague, Virginia

We have audited, in accordance with the auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the *Specifications for Audits of Authorities, Boards, and Commissions*, issued by the Auditor of Public Accounts of the Commonwealth of Virginia, the financial statements of the business-type activities of Chincoteague Recreation and Convention Center Authority as of and for the year ended June 30, 2016, and the related notes to the financial statements, and have issued our report thereon dated December 15, 2016.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Chincoteague Recreation and Convention Center Authority's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing an opinion on the effectiveness of Chincoteague Recreation and Convention Center Authority's internal control. Accordingly, we do not express an opinion on the effectiveness of Chincoteague Recreation and Convention Center Authority's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Chincoteague Recreation and Convention Center Authority's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
