- B. the audit complies with generally accepted auditing standards, as set forth by the American Institute of Certified Public Accountants, and Government Auditing Standards, issued by the Comptroller General of the United States;
- C. the audit complies with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards;
- D. the annual financial report complies with generally accepted accounting principles for governmental entities; and
- E. the auditor has performed the agreed upon procedures for the Comparative Report Transmittal Forms as set forth in the Uniform Financial Reporting Manual, issued by the Auditor of Public Accounts.

We conducted our review in accordance with the Fiscal Year 2021 Quality Control Review Program for Audits of Local Governments developed by the Auditor of Public Accounts.
