Locality: County of Middlesex

We have reviewed the Commonwealth collections and remittances of the Treasurer, Commissioner of the Revenue, and Sheriff of the locality indicated for the year ended June 30, 2024. Our primary objectives were to determine that the officials have maintained accountability over Commonwealth collections, established internal controls, and complied with state laws and regulations. We limited our work to the collection of Commonwealth revenues. Local governments hire certified public accountants to audit all other financial activities of the locality and these firms issue separate reports on the results of their audits.

The results of our tests found the Treasurer, Commissioner of Revenue, and Sheriff complied, in all material respects, with state laws, regulations and other procedures relating to the receipt, disbursement, and custody of state funds, except as follows.

The Treasurer did not comply with state laws and regulations as described below.

Properly Remit Sheriff Fees

Repeat: No

The Treasurer did not remit the correct amount of Sheriff's fees due to the locality during the audit period as required by § 15.2-1609.3 of the Code of Virginia. This resulted in the Treasurer over-remitting fees of \$1,117 to the Commonwealth. The Treasurer should retain this amount during fiscal year 2025 and ensure proper accounting for Sheriff's fees in the future as this will ensure compliance with Code of Virginia requirements.
