**Report of Independent Auditor on Internal Control over Financial Reporting
and on Compliance and Other Matters Based on an Audit of Financial Statements
Performed in Accordance with *Government Auditing Standards***

To the Honorable Members of the Board of Supervisors
County of Loudoun, Virginia

We have audited, in accordance with the auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, and the *Specifications for Audits of Counties, Cities, and Towns* issued by the Auditor of Public Accounts of the Commonwealth of Virginia, the financial statements of the governmental activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information of the County of Loudoun, Virginia (the "County"), as of and for the year ended June 30, 2020, and the related notes to the financial statements, which collectively comprise the County's basic financial statements, and have issued our report thereon dated November 25, 2020.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the County's internal control over financial reporting ("internal control") as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, we do not express an opinion on the effectiveness of the County's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the County's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the County's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the County's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Report of Independent Auditor on Compliance for Each Major Federal Program and on Internal Control over Compliance Required by the Uniform Guidance

To the Honorable Members of the Board of Supervisors
County of Loudoun, Virginia

Report on Compliance for Each Major Federal Program

We have audited the County of Loudoun, Virginia's (the "County") compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the County's major federal programs for the year ended June 30, 2020. The County's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the County's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the County's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the County's compliance.

Opinion on Each Major Federal Program

In our opinion, the County complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2020.

Report on Internal Control over Compliance

Management of the County is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the County's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the County's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

We have audited the financial statements of the governmental activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information of the County, as of and for the year ended June 30, 2020, and the related notes to the financial statements, which collectively comprise the County's basic financial statements. We issued our report thereon dated November 25, 2020, which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the County's basic financial statements. The accompanying Schedule of Expenditures of Federal Awards is presented for the purposes of additional analysis as required by the Uniform Guidance and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Expenditures of Federal Awards is fairly stated, in all material respects, in relation to the financial statements as a whole.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

**Report of Independent Auditor on Compliance with
Commonwealth of Virginia’s Laws, Regulations, Contracts, and Grants**

To the Honorable Members of the Board of Supervisors
County of Loudoun, Virginia

We have audited, in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, and the *Specifications for Audits of Counties, Cities, and Towns* (the “Specifications”) issued by the Auditor of Public Accounts of the Commonwealth of Virginia, the financial statements of the governmental activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information of the County of Loudoun, Virginia (the “County”), as of and for the year ended June 30, 2020, and the related notes to the financial statements, which collectively comprise the County’s basic financial statements, and have issued our report thereon dated November 25, 2020.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the County’s financial statements are free of material misstatement, we performed tests of the County’s compliance with certain provisions of the Commonwealth of Virginia’s laws, regulations, contracts, and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, the objective of our audit of the basic financial statements was not to provide an opinion on overall compliance with such provisions and, accordingly, we do not express such an opinion.

The following is a summary of the Commonwealth of Virginia’s laws, regulations, contracts, and grants for which we performed tests of compliance:

Code of Virginia		State Agency Requirements
Budget and Appropriation Laws	Procurement	Education
Cash and Investments	Unclaimed Property	Comprehensive Service Act Funds
Conflicts of Interest	Property Taxes	Social Services
Debt Provisions		
Intergovernmental Revenues		
Economic Development Opportunity Fund		

The results of our tests disclosed no instances of noncompliance which are required to be reported in accordance with the Specifications.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of compliance with certain provisions of the Commonwealth of Virginia’s laws, regulations, contracts, and grants and the results of that testing, and not to provide an opinion on the County’s compliance. Accordingly, this communication is not suitable for any other purpose.

COUNTY OF LOUDOUN, VIRGINIA

NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

FOR THE YEAR ENDED JUNE 30, 2020

Note 1—Summary of significant accounting policies

Reporting Entity – The accompanying Schedule of Expenditures of Federal Awards (the “Schedule”) includes the activity of all federal award programs administered by the County of Loudoun, Virginia (the “County”) and its component unit, the Loudoun County Public Schools. The County’s reporting entity is defined in Note I A of the County’s basic financial statements.

Basis of Presentation – The information in the Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (“Uniform Guidance”). Therefore, some amounts presented in the Schedule may differ from amounts presented in, or used in the preparation of, the basic financial statements. Federal award program titles are reported as presented in the Catalog of Federal Domestic Assistance (“CFDA”) in effect for the year in which the award was granted.

Basis of Accounting – The Schedule has been prepared on the modified accrual basis of accounting as defined in Note I B of the County’s basic financial statements.

Matching Costs – The nonfederal share of certain program costs are not included in the Schedule.

The County has not elected to use the 10% de minimis cost rate allowed under the Uniform Guidance.

Federal award programs include direct expenditures, monies passed through to other governmental entities (i.e., payments to subrecipients), and nonmonetary assistance.

Note 2—Relationship to federal financial reports

The regulation and guidelines governing the preparation of federal financial reports vary by federal agency and among programs administered by the same agency. Accordingly, the amounts reported in the federal financial reports do not necessarily agree with the amounts reported in the accompanying Schedule.

Note 3—Noncash and other programs

- (a) The County received \$213,188 pass-through property sub-awards under the Homeland Security Grant Program (CFDA 97.067) for the year ended June 30, 2020. Such amounts are reflected in the accompanying Schedule and in the basic financial statements.
- (b) The County received \$95,628 pass-through property sub-awards under the Securing the Cities Program (CFDA 97.106) for the year ended June 30, 2020. Such amounts are reflected in the accompanying Schedule and in the basic financial statements.
- (c) The Community Development Block Grant/Entitlement (“CDBG”) (CFDA 14.218) is granted by U.S. Department of Housing and Urban Development (“HUD”) to develop viable urban communities by providing decent housing, a suitable living environment, and expanding economic opportunities, principally for persons of low and moderate income. The Loudoun County Home Improvement Program, which is funded by CDBG, provides loans and grants to income eligible homeowners to rehabilitate their homes. For the year ended June 30, 2020, Loudoun County provided \$31,124 from the repayment fund to the program recipients.

COUNTY OF LOUDOUN, VIRGINIA

NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS (CONTINUED)

FOR THE YEAR ENDED JUNE 30, 2020

Note 3—Noncash and other programs (continued)

- (d) The Section 8 Housing Choice Vouchers program (CFDA 14.871) is granted by HUD to aid low income families in obtaining decent, safe, and sanitary rental housing. For the year ended June 30, 2020, \$51,276 from program income was provided to clients.
- (e) The Mainstream Vouchers program (CFDA 14.879) is granted by HUD to aid persons with disabilities in obtaining decent, safe, and sanitary rental housing. For the year ended June 30, 2020, \$500 from program income was provided to clients.
- (f) On December 9, 2014, the County and the Economic Development Authority entered into a Transportation Infrastructure Finance and Innovation Act (“TIFIA”) loan agreement under CFDA 20.223 with the U.S. Department of Transportation. This loan was used to finance the County’s proportionate share (4.8%) of the costs of construction to extend the Washington Metropolitan Area Transit Authority’s mass transit system into the County, not to exceed \$195.1 million. On May 28, 2020, the County sold Public Facility Lease Revenue Bonds and, using a portion of the proceeds, refunded its outstanding TIFIA loan.
