Independent Auditor's Report

To the Board of Directors Local Office on Aging, Inc. Roanoke, Virginia

Opinion

We have audited the accompanying financial statements of Local Office on Aging, Inc. ("LOA") (a nonprofit organization), which comprise the statements of financial position as of September 30, 2024 and 2023, and the related statements of activities, functional expenses, and cash flows for the years then ended and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of LOA as of September 30, 2024 and 2023, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of LOA and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about LOA's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and

therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of LOA's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about LOA's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying Virginia Department for Aging and Rehabilitative Service schedules, schedule of expenditures of federal awards, and other supplementary information for the year ended September 30, 2024, as required by the Virginia Department for Aging and Rehabilitative Service and by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accorda nce with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated January 8, 2025, on our consideration of LOA's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of LOA's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering LOA's internal control over financial reporting and compliance.

Notes to Financial Statements September 30, 2024

Note 1 – Organization

The Local Office on Aging, Inc. ("LOA") is a nonprofit corporation organized to help older persons remain independent for as long as possible. LOA's services are generally funded by grants from local, state, and federal agencies. The grants require compliance with prescribed grant conditions including the furnishing of certain schedules.

Note 2 – Significant Accounting Policies

Basis of Financial Statement Presentation

The accompanying financial statements present information regarding LOA's financial position and activities according to two classes of net assets: net assets without donor restriction and net assets with donor restriction. The two classes are differentiated based on the existence or absence of donor-imposed restrictions.

Net assets without donor restriction may be designated for specific purposes by an action of the Board of Directors or may otherwise be limited by contractual agreements with outside parties. Revenues, gains, and losses that are not restricted by donors are included in this classification. Expenses are reported as decreases in this classification.

Net assets with donor restriction are limited in use by donor-imposed stipulations that expire either by the passage of time or that can be fulfilled by an action of LOA pursuant to those stipulations. Net assets with donor restriction also includes amounts required by donors to be held in perpetuity; however, generally, the income on these assets is available to meet various operating needs.

Cash

Cash is held in banks located in Virginia and is insured by the Federal Deposit Insurance Corporation. At times, the balance in these accounts may be in excess of federally insured limits. LOA's management believes that there is no significant risk with respect to these deposits.

Investments

LOA records investments in equity and debt securities at their fair values in the statements of financial position. Interest and dividends are recognized when received. Realized and unrealized gains and losses are included in the statements of activities.

Gifts of investments are recorded at their fair value (based upon quotations or appraisals) at the date of gift. Purchases and sales of investments are recorded on the trade date.

Investment securities are exposed to several risks, such as interest rates and market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in LOA's financial statements.

Notes to Financial Statements September 30, 2024

Accounts Receivable

Accounts receivable is comprised of federal funds requested by September 30, 2024 and 2023 but not received until after year end. Receivables are stated at face amount with no allowance for credit losses. An allowance for credit losses is not considered necessary because probable uncollectible accounts are immaterial.

Contributions and Contributions Receivable

Contributions are recognized in the period the donor's commitment is received. Contributions received with donor-imposed restrictions are reported as revenues of net assets with donor restriction, and a reclassification to net assets without donor restriction is made to reflect the expiration of such restrictions. Contributions received with donor-imposed restrictions that are met in the same year as received are recorded as revenues of the net assets with donor restriction class, and a reclassification to net assets without donor restriction is made to reflect the expiration of such restriction is made to reflect the expiration of such restriction is made to reflect the expiration of such restrictions.

Contributions of assets other than cash are recorded at their estimated fair value. Contributions to be received after one year are discounted at an appropriate discount rate commensurate with the risks involved. Amortization of the discount is recorded as additional contribution revenue in accordance with donor-imposed restrictions, if any, on the contributions.

Contributions of land, buildings, and equipment without donor stipulations concerning the use of such long-lived assets are reported as revenues of the net assets without donor restriction. Contributions of cash or other assets to be used to acquire land, buildings, and equipment with such donor stipulations are reported as revenues of the net assets with donor restriction; the restrictions are considered to be released at the time the asset is placed in service.

A substantial number of unpaid volunteers have made significant contributions to LOA's programs, principally in the areas of nutrition and transportation services. The value of this contributed time is not reflected in these statements since it does not create or enhance nonfinancial assets or require specialized skills.

In-kind contributions for facilities as well as donated labor, are received to support the operations of various programs and are recognized at fair value as determined by the donors.

Property and Equipment

Property and equipment is stated at cost at the date of acquisition, less accumulated depreciation. LOA currently capitalizes all assets with a value of \$2,000 or greater with a useful life in excess of one year. Depreciation is recorded using the straight-line method based on the following estimated useful lives:

| Land improvements | 15 years |
|-------------------------|-----------|
| Building | 30 years |
| Building improvements | 10 years |
| Furniture and equipment | 5-7 years |

Funds Held in Trust by Others

LOA is the beneficiary of a perpetual irrevocable trust held and administered by an independent trustee. Under the terms of the trust, LOA has the irrevocable right to receive the income earned on trust assets in perpetuity. The fair value of the beneficial interest in a trust is recognized as an asset and as a net asset with donor restricted contribution at the date the trust is established. LOA's estimated fair value at each reporting date is based on fair value information received from

Notes to Financial Statements September 30, 2024

trustees. Trust assets consist of, but are not limited to, cash and cash equivalents, corporate and government bonds, mutual funds, and equity securities. These assets are not subject to control or direction by LOA.

Estimates

The financial statements of LOA have been prepared in accordance with accounting principles generally accepted in the United States of America. The preparation of financial statements in conformity with these principles requires management to make estimates and assumption that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Functional Allocation of Expenses

The costs of providing LOA's programs and support services have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated between program and support services benefitted. Allocated expenses include payroll expenses, which are allocated based on an estimate of time.

Advertising

Advertising costs are expensed as incurred and amounted to \$6,264 and \$12,765 in 2024 and 2023, respectfully.

Recent Accounting Pronouncement

Effective September 30, 2024, Local Office on Aging adopted 2016-13, *Financial Instruments – Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments,* as amended, which modifies the measurements of expected credit losses on certain financial instruments. Local Office on Aging adopted this new guidance utilizing the modified retrospective transition method. Topic 326 requires measurement and recognition of expected versus incurred losses for financial assets held. Financial assets held by Local Office on Aging are subject to ASU 2016-13 include trade accounts receivable. The adoption of this ASU did not have a material impact on the Local Office on Aging's financial statements but did change how the allowance for credit losses is determined.

Subsequent Events

Subsequent events were considered through January 8, 2025, the date the financials were available to be issued.

Note 3 – Investments

The fair value of investments at September 30 are as follows:

| | 2024 | 2023 |
|-------------------------------|-----------------|-----------------|
| Cash and cash equivalents | \$ 276,462 | \$ 20,561 |
| Bonds and equity mutual funds | 1,403,005 | 1,148,034 |

Notes to Financial Statements September 30, 2024

Note 4 – Fair Value of Measurements

In accordance with authoritative guidance, LOA categorizes its financial instruments subject to fair value measurement based on the priority of the inputs to the valuation technique, into a three-level fair value hierarchy as reflected below. The fair value hierarchy gives the highest priority to unadjusted quoted prices in active markets (Level 1) and the lowest priority to unobservable inputs (Level 3).

<u>Level 1</u> – Fair values are based on unadjusted quoted prices in active markets for identical assets or liabilities that management has the ability to access at the measurement date.

<u>Level 2</u> – Fair values are based on inputs other than quoted prices in Level 1 that are either for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, inputs other than quoted prices were observable for the asset or liability, or inputs that are derived principally from or corroborated by observable market data by correlation or other means.

<u>Level 3</u> – Fair values are based on unobservable inputs for the asset or liability where there is little, if any, market activity for the asset or liability at the measurement date.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques are used to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following table sets forth by level, within the fair value hierarchy, LOA's assets at fair value at September 30, 2024:

| | Fair Value | Level 1 | Level 2 | | |
|-------------------------------|-----------------|-----------------|---------|---------|--|
| Cash and cash equivalent | \$ 276,462 | \$ 276,462 | \$ | - | |
| Bonds and equity mutual funds | 1,403,005 | 1,403,005 | | - | |
| Fixed income | 248,830 | 248,830 | | | |
| Exchange traded funds | 185,387 | 185,387 | | - | |
| Funds held in trust | 160,599 | - | | 160,599 | |
| | \$ 2,274,283 | \$ 2,113,684 | \$ | 160,599 | |

The following table sets forth by level, within the fair value hierarchy, LOA's assets at fair value at September 30, 2023:

| | Fair Value | Level 1 | Level 2 | | |
|-------------------------------|-----------------|-----------------|---------|---------|--|
| Cash and cash equivalent | \$ 20,561 | \$ 20,561 | \$ | - | |
| Bonds and equity mutual funds | 1,148,034 | 1,148,034 | | - | |
| Exchange traded funds | 144,284 | 144,284 | | - | |
| Funds held in trust | 135,783 | - | | 135,783 | |
| | \$ 1,448,662 | \$ 1,312,879 | \$ | 135,783 | |

Note 5 – Contributions Receivable

Contributions receivable results from agreements with local governments or agencies and is classified as net assets with donor restriction. Amounts are expected to be collected in less than one year and are not discounted to net present value. Additionally, all contributions receivable are deemed collectible and an allowance is not necessary.

Notes to Financial Statements September 30, 2024

Note 6 – Property and Equipment

Property and equipment consists of the following:

| | 2024 | 2023 |
|-------------------------------|-----------------|-----------------|
| Land | \$ 238,912 | \$ 238,912 |
| Land improvements | 133,843 | 133,843 |
| Building | 940,694 | 940,694 |
| Building improvements | 630,154 | 617,503 |
| Furniture and equipment | 634,874 | 545,632 |
| | 2,578,477 | 2,476,584 |
| Less accumulated depreciation | (781,818) | (611,545) |
| | \$ 1,796,659 | \$ 1,865,039 |

Note 7 – Note Payable

In November 2017, LOA entered into a fifteen-year loan in the amount of \$350,000. The loan has a fixed rate of 4.00% for 7 years, with years 8-15 having a variable rate tied to the U.S. Treasury +275 bps. The building is pledged as collateral for the note.

Estimated aggregate maturities required on the mortgage payable for each of the succeeding five years and thereafter are as follows:

| | \$ 214,975 |
|------------|---------------|
| Thereafter | 142,872 |
| 2028 | 19,119 |
| 2027 | 18,371 |
| 2026 | 17,652 |
| 2025 | 16,961 |

Note 8 – Employee Benefits

Retirement benefits are provided for substantially all full-time employees through a defined contribution retirement plan funded by payments to a tax-sheltered annuity. LOA strives to contribute 4% of the employee's salary which totaled \$42,259 and \$40,982 in 2024 and 2023, respectively.

Notes to Financial Statements September 30, 2024

Note 9 – Net Assets with Donor Restriction

Donor restricted net assets for specific purposes and time are classified as follows:

| | 2024 | 2023 |
|--|---------------|---------------|
| Meals on Wheels and nutrition and welfare programs Donor restricted net assets held in perpetuity are classified as follows: | \$ 389,400 | \$ 95,659 |
| Funds held in trust | 160,599 | 135,783 |
| | \$ 549,999 | \$ 231,442 |

Note 10 – Commitments and Contingencies

Federal and state revenues are subject to audit to determine compliance with their requirements. Management believes that, if any refunds are required, they will be immaterial.

LOA receives a substantial amount of support from state and federal agencies. A significant reduction in the level of this support, if this were to occur, may have an adverse effect on LOA's programs and activities.

Note 11 – Liquidity and Availability

Financial assets available for general expenditure without donor or other restrictions limiting their use, within one year of the statement of financial position date, are comprised of the following:

| | 2024 | 2023 |
|----------------------------------|-----------------|-------------------|
| Cash and cash equivalents | \$ 922,883 | \$ 1,277,841 |
| Investments | 2,113,684 | 1,312,879 |
| Accounts receivable | 128,013 | 376,124 |
| Contributions receivable | 34,170 | 34,170 |
| | 3,198,750 | 3,001,014 |
| Less amounts restricted by donor | (389,400) | (95 <i>,</i> 659) |
| | \$ 2,809,350 | \$ 2,905,355 |

As part of LOA's liquidity management plan, LOA invests cash in excess of daily requirements in fixed income investments, equity securities, and mutual funds.

To help manage unanticipated liquidity needs, LOA has one line of credit totaling \$250,000 which it could draw upon. The line bears interest at 4% and matures April 7, 2024. The line had a \$-0- balance at September 30, 2024 and 2023.

Notes to Financial Statements September 30, 2024

Note 13 – Contributed Nonfinancial Services

For the years ended September 30, contributed nonfinancial services recognized within the statement of activities included:

| | 2024 | 2023 |
|---------------------|---------------|---------------|
| Rental income | \$ 115,109 | \$ 114,283 |
| Discounted services | 92,842 | 39,708 |
| Labor | 22,178 | - |
| | \$ 230,129 | \$ 153,991 |

LOA recognized contributed nonfinancial services within revenue, including rental income and discounted services. As presented on the statement of activities, all contributed nonfinancial services have donor-imposed restrictions. The addition of contributed labor in the current year is attributed to the donation of Exercise Psychologists and Eligibility Interviewers for Government Programs. Psychologists were engaged to coach seniors to manage falls, identify fall threats, and lead exercises to increase strength/balance for 189 hours totaling a valuation of \$7,991. Virginia Insurance representatives were engaged to answer questions on long-term care insurance, Medicare supplemental insurance, Medicare, hospital/physician billing and Medicare Advantage Plans for 544 hours totaling a valuation of \$14,188.

Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

To the Board of Directors Local Office on Aging, Inc. Roanoke, Virginia

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Local Office on Aging, Inc. ("LOA") which comprise the statement of financial position as of September 30, 2024, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated January 8, 2025.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered LOA's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of LOA's internal control. Accordingly, we do not express an opinion on the effectiveness of LOA's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that have not been identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified weaknesses or significant deficiencies may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether LOA's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditor's Report on Compliance for Each Major Program and on Internal Control Over Compliance Required by the Uniform Guidance

To the Board of Directors Local Office on Aging, Inc. Roanoke, Virginia

Report on Compliance for Each Major Federal Program

Opinion on Compliance for Each Major Federal Program

We have audited the Local Office on Aging, Inc.'s (LOA) compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on each of LOA's major federal programs for the year ended September 30, 2024. The entity's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Local Office on Aging, Inc., complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended September 30, 2024.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of LOA and to meet our other ethical responsibilities, in accordance with relevant ethical requirements related to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal documentation of LOA's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of

laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to LOA's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the LOA's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgement made by a reasonable user of the r eport on compliance about the LOA's compliance the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risk of material noncompliance, whether due to fraud or error, and design
 and perform audit procedures responsive to those risks. Such procedures include examining, on
 a test basis, evidence regarding LOA's compliance with the compliance requirements referred to
 above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of LOA's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of LOA's internal control over compliance Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency or a combination of deficiencies, in internal control over compliance with a type of compliance with a type of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of the type of the type of the type of the type of the type of the type of the type of the type of the type of the type of the type of the type of type of the type of type of the type of type of type of the type of

a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses as defined above. However, material weaknesses or significant deficiencies in internal control over compliance that we consider to be material weaknesses as defined above. However, material weaknesses or significant deficiencies in internal control over compliance that we consider to be material weaknesses as defined above. However, material weaknesses or significant deficiencies in internal control over compliance that we consider to be material weaknesses as defined above. However, material weaknesses or significant deficiencies in internal control over compliance that we consider to be material weaknesses as defined above. However, material weaknesses or significant deficiencies in internal control over compliance that we consider to be material weaknesses as defined above. However, material weaknesses or significant deficiencies in internal control over compliance that we consider to be material weaknesses as defined above.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

See notes to Schedule of Expenditures of Federal Awards.

Notes to Schedule of Expenditures of Federal Awards September 30, 2024

Note 1 – Basis of Presentation

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal grant activity of Local Office on Aging, Inc. ("LOA") under programs of the federal government for the year ended September 30, 2024. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations (CFR)* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards.* Because the Schedule presents only a selected portion of the operations of LOA, it is not intended to and does not present the financial position, changes in net assets, or cash flows of LOA.

Note 2 – Summary of Significant Accounting Policies

- (1) Expenditures reported on the Schedule are reported on the accrual basis of accounting.
- (2) Pass-through entity identifying numbers are presented where available.

Note 3 – Indirect Cost Rate

LOA did not elect to use the 10% de minimis indirect cost rate.

Note 4 – Sub-Recipient Monitoring

LOA does not have any sub-recipients.

Note 5 – Outstanding Loan Balances

At September 30, 2024, LOA had no outstanding loan balances requiring continuing disclosure.

Schedule of Findings and Questioned Costs

September 30, 2024

A – Summary of Auditor's Results

- 1. The auditor's report expresses an **unmodified opinion** on the financial statements.
- 2. No material weakness and no significant deficiencies relating to the audit of the financial statements were reported in the Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*. No significant deficiencies were reported.
- 3. No instances of noncompliance material to the financial statements were disclosed during the audit.
- 4. No material weaknesses or significant deficiencies relating to the audit of the major federal award programs were reported in the Independent Auditor's Report on Compliance for Each Major Program and on Internal Control over Compliance Required by the Uniform Guidance.
- 5. The auditor's report on compliance for the major federal award programs expresses an **unmodified opinion**.
- 6. The audit disclosed no audit findings in accordance with 2 CFR section 200.516(a) relative to the major programs.
- 7. The programs tested as major programs included:

Aging cluster:

| 93.044 | Title III-B – Supportive services |
|--------|---|
| 93.045 | Title III-C (1) and (2) – Nutrition service |
| 93.053 | Nutrition Services Incentive Program (NSIP) |

- 8. The threshold for distinguishing Types A and B programs was **\$750,000**.
- 9. LOA was **note** determined to be a **low-risk auditee**.

B – Prior Year Finding – Financial Statement Audit

2023-001: Internal Controls over Financial Reporting (Material Weakness)

<u>Condition</u>

During the audit, we detected several material misstatements in the trial balance presented to us to begin our audit that were considered material audit corrections. Moreover, there was an unreconciled difference for which management could provide no documentation, although this difference was not considered material to the users of the financial statements.

Current Status

This condition is not present in the current year financial statements.
