Dear Mr. Sessoms:

We have reviewed the Commonwealth collections and remittances of the Treasurer, Commissioner of the Revenue, and Sheriff of the locality indicated for the year ended June 30, 2016. Our primary objectives were to determine that the officials have maintained accountability over Commonwealth collections, established internal controls, and complied with state laws and regulations.

The results of our tests found the Treasurer, Commissioner of the Revenue, and Sheriff complied, in all material respects, with state laws, regulations and other procedures relating to the receipt, disbursement, and custody of state funds, except as follows.

The Treasurer and Commissioner of the Revenue did not maintain sufficient internal control over state funds as described below.

Properly Update and Calculate Interest

The Treasurer and Commissioner of Revenue did not update interest information in the automated system for income taxes when the rate increased from five to six percent in April 2016. While the financial impact of this condition was negligible, the Treasurer and Commissioner of Revenue should have a procedure in place to ensure that the interest rate is updated in the system as those updates occur to ensure interest on state income tax is calculated appropriately. The Treasurer and Commissioner of Revenue should immediately implement procedures, such as reviewing the quarterly on-line Tax Bulletins, to update the automated system promptly with correct interest rates whenever the Department of Taxation changes the interest rates.

Auditor of Public Accounts
