**REPORT ON AUDIT
FOR THE YEAR ENDED
JUNE 30, 2009**

AUDIT SUMMARY

We have audited the basic financial statements of the following entities as of and for the year ended June 30, 2009, and have issued our reports thereon dated December 14, 2009.

- Local Government Investment Pool
- Virginia College Building Authority
- Virginia Public Building Authority
- Virginia Public School Authority

The purpose of this report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing. Our audit of the Entities found:

- the financial statements are presented fairly, in all material respects;
- no material weaknesses in internal control over financial reporting; and
- no instances of noncompliance or other matters required to be reported under Government Auditing Standards.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS

We have audited the basic financial statements of the following entities as of and for the year ended June 30, 2009, and have issued our reports thereon dated December 14, 2009.

- Local Government Investment Pool
- Virginia College Building Authority
- Virginia Public Building Authority
- Virginia Public School Authority

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered each Entity's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Entities' internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Entities' internal control over financial reporting.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in

accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control over financial reporting.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the entity's internal control over financial reporting.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether each Entity's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

Status of Prior Findings

Adequate corrective action with respect to audit findings reported in the prior year has been taken.

Report Distribution and Exit Conference

The "Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters" is intended solely for the information and use of the Governor and General Assembly of Virginia, the Entities' Boards and management, and Local Government Investment Pool participants, and is not intended to be and should not be used by anyone, other than these specified parties. However, this report is a matter of public record and its distribution is not limited.

We discussed this report with management at an exit conference held on December 14, 2009.
